

Browse our listings for a sample of available green guided tours and activities. Tour schedules remain open and can be tailored to fit your itinerary. Please consider the optimum times for best wildlife viewing are either the early morning or early evening hours.

Most of our guides have a minimum guest requirement to conduct a tour, but arrangements can usually be made to accommodate 1-2 persons. Please inquire about personalizing any of our activities. Our guides are eager to customize to your specific needs.

Please contact us in advance to arrange for guiding and outfitter services. We will make every effort to meet your schedule and needs - or will refer you to another resource if necessary.

We do our best to ensure a high quality and memorable experience. Please feel free to tip our guides if they have provided outstanding or complimentary services. And tell your friends!

**DISCLAIMER** *A note about visiting the St. Marks National Wildlife Refuge:* Palmetto Expeditions does not arrange tours within the Refuge due to commercial guiding restrictions. If any part of your tour crosses Refuge boundaries either by water or land, you cannot be charged, and this portion of your tour is complimentary.
