PADDLE THE UPPER ST. MARKS RIVER - AFTERNOON

\$50.00

Option 1: "Down River to Newport" Join Certified Green Guides, Woody and Kathy Lewis on this slow-moving peaceful downriver paddle to Newport. Woody and Kathy prefer small groups of 4 or less to ensure a personal touch on their special guided river tour through miles of pristine crystal clear river and uninhabited woodlands. Woody and Kathy have lived along this stretch of upper river for many years. They will entertain you with stories of local lore while pointing out the myriad wildlife. You may even see the limpkins!

This easy paddle is perfect for older children and those new to kayaking. Tour ends at the Newport Bridge. \$50 per person includes use of kayak and all gear, small complimentary snack and shuttle back to your vehicle.

Option 2: "Up River to the Spring Head" "Peaceful, quiet, soothing, refreshing, and natural come to mind," says Woody Lewis when asked to describe the "Up River to the Spring Head" kayak tour. Woody and Kathy Lewis, both Certified Green Guides invite you to join them on their small group tour with personal touch as they guide you to a breathtaking area of river that few people get to see - the upper St. Marks River basin. Explore this pristine area where the spring head lies, close to the unique geological formation of Natural Bridge. Be sure to bring your binoculars because the basin area teems with abundant wildlife both in and around the river, especially birds. You may even get to glimpse the majestic bald eagles that live in the bald cypress tree at the river edge. \$50 per person includes use of kayak and all equipment and a healthy complimentary snack.

This tour is perfect for the paddler who cherishes tranquility and loves wildlife!
